

Walker Co Feb 17 1864

Hon John Moore
Shreveport, La.

Dear Sir I wrote to you a few days since
& mailed the letter in Huntville, but for-
got to inquire of you, where Messrs Moore
& Martell had located, & are at present residing
if you know please write me

I mentioned in my last, that I had
a Coa contract of hauling from Huntville
to Shreveport, but it had been changed
from the former place to San Antonio, which
was a great disappointment to me, as I had
intended to go to Mansfield to visit my
family & perhaps bring them to Texas.

Yours in haste

C. C. Weeks

Miss Maria Feb. 25th 1864

Received from Maggie plantation three
barrels of lime which I agree to return or
to pay for in current funds at its value
when demanded —
