Elton has just returned from the fort  
without the boys. Your boy George is dead, and the  
other one very sick. The boys belonging to the

The Ad'l Capt I am requested to send Jack  
back, also they will send for him. I think  
to there report Monday to take him back, to

influence to get the sick boys out. Elton reports

our boys have had their clothes  
Holders.

Respectfully yours
